

Castle Baynard Resident

Dear Resident

BOUNDARY REVIEW PROPOSALS

OBJECTIONS DEADLINE 5 DECEMBER 2011

As per our recent newsletter, The Boundary Commission for England is currently reviewing parliamentary constituency boundaries and in September produced draft proposals which would seek to break the historic link between the City of London and the City of Westminster by placing the City of London in a new constituency with parts of Islington and Camden called City of London and Islington South – see map overleaf.

The two Cities have a strong historical relationship as the original part of London and share valuable architectural heritage. Most important, perhaps, is that the neighbouring areas of Islington and Camden with which the City would be joined have very different issues to contend with. We are very concerned that if these proposals go ahead the needs of Castle Baynard residents, who are few in number, may be overlooked as the local MP would understandably concentrate on those areas with greater social problems and greater concentrations of votes. The new MP will also have to look after events in three local authorities and this will further reduce the attention which they can give to City residents.

To object to these proposals, ie to ensure that the existing constituency of City of London and Westminster is kept, you must write to The Boundary Commission by Monday 5 December 2011.

Objections should be addressed as follows:
